# 86-year-old pedophile priest loses Australian court appeal

**CANBERRA:** An 86-year-old pedophile former Catholic priest came a step closer to deportation to Ireland when a court on Friday upheld a decision to strip him of his Australian citizenship. Finian Egan has been fighting a five-year legal battle against former Home Affairs Minister Peter Dutton's

decision to cancel his citizenship over the defrocked priest's criminal record. Egan on Friday lost a Federal Court appeal against the second tribunal's ruling. His final option for appeal is the High Court. Egan was a 25-year-old ordained priest when he migrated from Ireland to Australia in 1959.

## 16 per cent increase in WHO budget

**GENEVA:** Member countries of the World Health Organisation have approved an "ambitious increase" in the budget for the UN health agency at a meeting, with some noting that WHO's chronic underfunding cripples its ability to protect global health.

World Health Assembly delegates Thursday approved a 16 per cent increase to WHO's proposed budget for the next 2 years, setting it at about \$6.1 billion. More than 90 per cent of WHO's funding is tied to specific health issues, and the agency often struggles to respond to urgent crises.

Dr Michael Ryan, WHO's emergencies chief, said there is currently a 70 per cent funding gap, which has "left the organisation in real and imminent danger of being unable to sustain core functions for urgent priorities." A commissioned review of the WHO suggested it could have acted faster and more aggressively to stem the spread of the coronavirus, but also said it lacked power and money.

# Lukashenko to meet Putin amid showdown with EU

VLADIMIR ISACHENKOV / Moscow

Belarus' authoritarian leader left for Russia Friday to seek assistance amid a bruising showdown with the European Union over the diversion of a flight to arrest dissident journalist Raman Pratasevich.

Belarus Prez Alexander Lukashenko (L) is set to meet with Russia's Vladimir Putin at his Black Sea residence in Sochi for talks on closer economic ties, according to the Kremlin. The EU bloc's foreign ministers agreed Thursday to ramp up sanctions to target the country's lucrative potash industry and other sectors of the Belarusian economy that are the main cash-earners for Lukashenko's government.

Lukashenko, who has relentlessly stifled dissent during his rule of more than a quarter-century, defended his actions and lashed out at the West for trying to "strangle" his country with sanctions. He said Friday before departing to Moscow that he hopes to reach an agreement with Putin on

Amid Western pressure, Lukashenko has relied on political and financial support from his main ally, Russia.

The two ex-Soviet nations have a union agreement envisaging close economic, political and military ties, and Moscow has helped buttress Belarus' Soviet-style economy with cheap energy supplies and loans. The ties, however, often have been strained with Lukashenko scolding Moscow for trying to force him to relinquish control over prized economic assets and eventually abandon Belarus' independence.

NATO Secretary-General Jens Stoltenberg has expressed the belief that Russia was involved in the Ryanair plane diversion to Belarus, citing close relations between Moscow and Minsk as evidence. The alliance condemned the forced diversion of the Ryanair flight and the subsequent arrest of the latter.

## Crowdfund offers fee to jail Belarusian Prez

One of Belarus' most famous entrepreneurs is launching a crowdfunding venture to put long-time Lukashenko behind bars. Valeri Tsepalo campaigned for the presidency in 2020 elections, but fled Belarus before the polls after he grew concerned for his safety.

Now he has released a YouTube video stating his intent to raise 11 million euros (\$13.4 million).

The money would be given to any security forces member or members who ensure that Lukashenko is put behind bars. As of Friday, the effort has raised 60K euros. But Tsepalo says he's optimistic the gambit will work, arguing that there are still upstanding people in power in Belarus who are not willing to cooperate any longer with "criminal number one", as he calls the Prez.

## China blames Britain for India's troubles in Kashmir

**BEIJING:** In an unusual diplomatic move, China on Friday lashed out at the British blaming them for India's troubles in Kashmir.

In a series of tweets, the Chinese government spokesperson Zhao Lijian attacked the UK and its British imperialistic past, with respect to India and Indian Kashmir.

"If British India was the jewel in the crown of the British Empire, then Kashmir has been the biggest crack in it when the crown finally fell over on that land," he tweeted while quoting an article published in China's biggest and most influential state media, Xinhua news agency.

Xinhua is headed by a member of the Central Committee of the Chinese Communist Party (CCP). Opinion pieces published by the agency are perceived to be the official line of Beijing even as the CCP never owns it.

An outspoken and fierce diplomat, Zhao is quite active on Twitter. While sharing the article Friday, he tweeted: "The British Empire fell, but the poison of hatred has been injected into the body politic of two peoples for decades to come. The land once as pristine as

its famous Kashmir Sapphires was carved by innumerable scars, cracked by the greed of imperialists and soaked by the tears of people in fear." As long as the bloodshed in Kashmir continues, Britain can never clean itself from its bloody colonial past, Zhao added.

The endorsement to this view by the Chinese spokesperson, is likely to have political ramifications between India and China.

China has been against the British imperialism ever since Hong Kong became a colony of the British in 1842 and was finally transferred to China, as late as in 1997.

On the other hand, Pakistan has categorically rejected an allegation levelled by India, accusing Islamabad of cross-border infiltration.

Foreign Office spokesman Zahid Hafeez Chaudhri said "it was Delhi's brutalisation of Kashmiri people, that threatened regional peace". "Peace and security in the region are threatened on account of India's brutalisation of Kashmiri people and refusal to resolve the J&K dispute in accordance with the UNSC resolutions, and its own pledges to the international community and the Kashmiris.

## Frenchman attacks police, killed

**PARIS:** A man with severe schizophrenia who had been on a watch list for Islamic radicalism stabbed a police officer at her station Friday in France and shot 2 other officers before police killed him, authorities said.

The slain suspect was in his 40s who had been on a watch list for Islamic radicalism because of his "rigorous" religious practices, Interior Minister Gerald Darmanin said. The assailant had recently been released from prison and was under monitoring by psychiatric services, he said. The officers are now in stable condition.

## Oli calls upon Nepal parties to form all-party govt

SHIRISH B PRADHAN / Kathmandu

Embattled Nepal Prime Minister K P Sharma Oli on Friday urged all political parties to form an all-party government and hold fresh elections, as he tried to justify the controversial dissolution of the House of Representatives twice by the President, saying a "functionless" Parliament turned out to be the main source of instability in the country.

"Going for an election can never be a regressive act," Oli said in a televised address to the nation, a week after the House was dissolved by President Bidya Devi Bhandari.

The president dissolved the 275-member House of Representatives on Saturday for the second time in five months and announced snap elections on November 12 and November 19 on the advice of Prime Minister Oli, who is

heading a minority government.

Oli, 69, called upon the political parties to form an all-party government and hold elections, My Republica.com portal quoted him as saying.

Addressing the nation as the chief executive of the country, Oli took most of his time to criticise the moves taken by the Opposition parties and his fellow party leaders.

He blamed the Opposition parties and dissident faction of the ruling CPN-UML for the dissolution of Parliament.

He blamed his party's rival group for blocking his attempts to consolidate democracy and to take the

nation to the path of socio-economic transformation.

Oli said Parliament could not ensure stability in the country even after it was restored on February 23 through judicial intervention. "Though it was reinstated through the Supreme Court's verdict, it turned out to be functionless and the main source of instability in the country," said Oli.

He claimed that he tried to prevent the lower house of Parliament from being dissolved. "I made my last ditch effort to form an alternative government as per Article 76 (5) after being assured of support from the Janata Samajbadi Party (JSP).

## US shooting: PIO Sikh man a 'hero'

**Los Angeles:** Indian-origin Sikh Taptejdeep Singh, who was among the nine people killed in the latest horrific U mass shooting, has been hailed as a hero who lived by the values of service and protection of others, his family members said, as they tried to find comfort hearing how he spent his final moments helping his colleagues to safety.

Samuel Cassidy, 57, a maintenance worker of the Valley Transportation Authority (VTA), San Jose, on Wednesday gunned down nine of his co-workers in one of US' deadliest shootings. Singh, 36, who was a light rail operator at the VTA for 9 years, was the first victim to be publicly identified by his family. "We choose to remember Taptejdeep as the hero he was, both in those final moments and throughout his life of service," the family said.

- In preparation of these results, the Group has taken into account internal and external sources of information to assess possible impacts of the pandemic, including but not limited to assessment of liquidity and going concern, recoverable values of its financial and non-financial assets. The Group has also assessed the potential impact of Covid-19 on the carrying value of property, plant & equipment, inventory, trade receivables, and other current assets appearing in the results of the Group. In developing the assumptions and estimates relating to the future uncertainties in the economic conditions because of this pandemic, the Group as at the date of approval of results and based on current estimates, expects to recover the carrying amounts of the assets including trade receivables as at 31.3.2021. Considering the evolving nature of the pandemic, its actual impact in future could be different from that estimated as at the date of approval of these financial statements. Such concessions are determined based on ongoing discussions as well as those concluded and agreed with retailers/licensees on case to case basis. Considering the impact of such concessions given in lease rentals and other recoveries during the Financial Year 2020-21, the above results and performance for the said financial year are not comparable with the revenue and performance of the previous Financial Year. The Operations at the residential development project have witnessed limited impact of lockdown. **Notes:**  
 1. The above results for the year ended 31 March 2021 have been reviewed by the Audit Committee and thereafter were approved by the Board of Directors at its meeting held on 28 May 2021. The statutory auditors of Joyville Shapoorji Housing Private Limited have expressed an unmodified audit opinion. The audited financial results are in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.  
 2. Section 115BAA of the Income Tax Act, 1961, provides an option to companies for paying income tax at reduced rates in accordance with the provisions/conditions defined in the said section and accordingly, during the current half year the Company has decided to adopt the new tax rate.  
 3. Credit rating for 10%, redeemable, non-convertible debentures (Series "A" and "B") of Rs. 8,689,356,000 is CARE BBB+ (Under Credit watch with Negative Implications) (Triple B Plus) by Care Ratings. The Credit rating as at 31 March 2020 was Care A+ (Single A Plus) by Care Ratings.  
 4. As the Company's business activity falls within a single business segment viz. "Development of Real Estate Property", the financial results are reflective of the information required by Ind AS 108 "Operating Segments".  
 5. During the period, the interest on 10%, redeemable, non-convertible debentures (Series "A" and "B") and 17% compulsorily convertible debentures (Series "A" and "B") is not due for payment.  
 6. For current and previous period/year Earnings per share ("EPS"), potential equity shares in the form of 322,865 (FY 2019-20: 284,122), 17%, compulsorily convertible debentures (Series "A" and "B") are ignored in the calculation of diluted earnings per share, as on their conversion to equity shares, the results on the earnings per share from continuing activities would be anti-dilutive.  
 7. Figures of the six months ended 31 March 2021 and 31 March 2020 are the balancing figures between audited figures in respect of the year to date and the published figures for the six months ended 30 September 2020 and 30 September 2019 respectively which were only reviewed and not subjected to audit.  
 8. Formula used for Calculation of Debt-Equity Ratio, Debt Service Coverage Ratio (DSCR) and Interest Service Coverage Ratio (ISCR): Debt-Equity Ratio = Borrowings (Long term + Short term-current maturity of long term debt) / Equity, DSCR = EBIT / Gross Finance Cost (excludes interest accounted on customer advance as per EIR Principal) + Principal Payment due to Long Term Borrowing) ISCR = EBIT / Gross Finance Cost (excludes interest accounted on customer advance as per EIR Principal) EBIT = (Loss) before tax + Finance cost  
 9. The Company has an asset cover of 2.75 (Previous Year: 1.98) for the 10%, redeemable, non-convertible debentures (Series "A" and "B") issued.
